**COI Disclosures:** no conflicts of interest to disclose

Conflict of Interest Policy / Content Validation Policy:

As an ANCC approved provider of continuing education, The Hawai'i State Center for Nursing (HSCN) is committed to the identification and resolution of potential conflicts of interest in the planning, promotion, delivery, and evaluation of continuing education. Consistent with concepts outlined in the ANCC Primary Accreditation Provider Manual and the ANCC's Content Integrity Standards, HSCN requires all potential faculty and program planners, to disclose financial relationships with relevant commercial interests in advance. Information provided is used to determine whether participants or planners have potential conflicts of interest. If significant relationships are disclosed, HSCN assesses how those potential conflicts of interest may affect CME/CE content. HSCN requires that all conflicts of interest be resolved prior to participation in the activity. HSCN contributors have significant relationships that cannot be reconciled, HSCN reserves the right to prohibit participation if conflicts cannot be reconciled prior to activity delivery.

Disclosures Statement:

Current accrediting agency guidelines and The Hawai'i State Center for Nursing's policy state that participants in educational activities should be made aware of any affiliation or financial interest that may affect the presentation and if there will be any discussion of unapproved or investigative use of commercial products/devices. Each planning committee member, reviewer and speaker has completed a Disclosure of Relevant Financial Relationships form.
